

Welcome to the RePLAYSM season!

Here's some information to help you get started!

Teams will explore the activities we can do in different spaces for play and how we can ensure that our games and activities are fun and accessible for everyone involved.

Our [FIRST[®] Core Values](#) will explain HOW we do everything and help them learn what fun it is sharing and working with other people.

Your team is part of a global FIRST[®] LEGO[®] League community with more than 67,000 teams across three divisions in over 110 different countries!

Check these off as you receive them:

- Challenge Set
- Team Meeting Guide
- Engineering Notebooks
- Robot Game Rulebooks

Read these documents carefully and check out the "What Does the Team Need?" page in the Team Meeting Guide.

You will also need **computers or devices with the SPIKE[™] Prime or MINDSTORMS[®] software downloaded from the [LEGO Education website](#).**

Challenge information:

All the information about the **Challenge** (including *Challenge Updates throughout the*

season), **Missions, Field Set Up and Robot Game Rules** can be found [here](#).

Building Instructions for the mission models can be found on [this page of the website](#).

If you have the time and resources, you could build a FIRST LEGO League table using the **Robot Game Table Building Instructions** on [this page of the website](#).

If you are participating in our Class Pack option, check out the **digital Class Pack Tournament Guide**, which you should have received when you registered for a Class Pack.

If your team plans on participating in **Regional Qualifying event**, please check with your local partner as there are remote or in-person options as well as registrations and fees.

The **Robot Game Score Sheet** and the **Judging Rubrics** will also be posted [here](#). Please note the Class Pack versions of these documents can be found in the **digital Class Pack Tournament Guide**.

Good Luck and Have fun!
